15. Multidisciplinary / interdisciplinary

Our College is an affiliated college of Gondwana University, Gadchiroli and follows its guidelines and norms in both letter and spirit. Multidisciplinary and Interdisciplinary is integral to holistic education and has been integrated in the syllabus prescribed by the University. The college has Arts and Commerce faculties and provides multidisciplinary education to its students. We have organized an orientation programme for students to make them aware of multiple-entry and multiple exit scheme. Projects related to various social issues are given to the final year students. The university does not offers interdisciplinary/ multidisciplinary courses our University is likely to implement NEP 2020 and will offer multi disciplinary courses. As per the regulations and guidelines of university we will follow the same.

16. Academic bank of credits (ABC):

We have already started creating awareness among students about Academic Bank of Credit. Our institution facilitates students to open their Academic Bank of Credits (ABC) account which is a virtual/digital storehouse that contains information of the credits earned by individual students throughout their learning journey and gives multiple options for entering and leaving colleges or universities. We have given liberty to teachers to apply various students-friendly methods of teaching-learning. The Principal, IQAC Coordinator and few teachers attended the Workshops on Academic Bank of Credits organised by parent University. We have started the process of registration of students for Academic Bank of Credit. We have conducted the workshop on Academic Bank of Credits. Implementation of NEP in the academic year 2023-24, students will

create a bank of credit which will be transferable and interdisciplinary and multidisciplinary in nature, Students will also have multiple entry exit options as per their requirements.

17.Skill development:

The institution continuously caters to the need of skill development of its students and gives them opportunity to enhance their life skills, hobbies and respects their interests. Topics related to skill development are highlighted in the syllabi. Our curricular and extra-curricular activities mainly focus human values and ethics. Topics related to soft skill development in the syllabi are used to highlight importance of skills. Various personality development programmes and activities are organized for students by different departments. We also run skill-based certificate courses at the institutional level.

18.Appropriate integration of Indian Knowledge system (teaching in Indian Language, culture, using online course)

The institute actively engaged in spreading the rich heritage of our country and traditional knowledge in the fields of arts, literature and culture. We adopted three language systems for running the programmes of UG. We use English as an international language, Hindi as the national language and Marathi as a state/regional language in our curriculum.

We specialize in Marathi and English literature. All the subjects are taught in bilingual mode i.e Marathi and English. To preserve and spread Indian culture and tradition we organized various activities such as traditional day celebrations, Mehandi, Rangoli, Dance, Singing, traditional sports/games and various festivals and Marathi Bhasha Savardhan Day etc. We inculcate Indian culture and values through the participation of students in university level youth festivals. Also, we organized an annual festival and organized cultural programs and sports competition on it.

19.Focus on Outcome based education (OBE):Focus on Outcome based education (OBE):

Our institute has adopted the CBCS pattern of Gondwana University, Gadchiroli . As per CBCS guidelines, the university reconstructed the syllabi of all the programmes. In restructured programmes university included the outcomes in the form of objectives of the courses and programmes.

Our Institutions has well defined Program Outcomes (PO) and Program Specific Outcomes (PSO) for each program. The POs and PSOs are satisfied through the teaching-learning process and the additional programs conducted at the Institute. As the part of curriculum, each course has defined Course Outcomes (CO) which are

mapped to POs and PSOs.

We discuss with the student regarding the course and program outcomes at the end of the academic year. We verify these outcomes by various attainment methods.

20.Distance education/online education:

College offers courses in the regular mode only as sanctioned by UGC. Institution submitted the proposal for recognized center of Yashwantrao Chavan Maharashtra Open University, Nasik for those B.A. and B. Com. in this year.

We instructed to teachers to impart lessons both through online and offline mode. Almost all teachers have formed Whats app study groups of their respective subjects. They share pdftexts, audios and videos through these groups for students. College motivates students to join various online courses.

2.3 - Teaching- Learning Process

2.3.1 - Student centric methods, such as experiential learning, participative learning and problem solving methodologies are used for enhancing learning experiences

The college strives at its best to make learning more students centric through various activities. The college follows the student centric methods such as experiential learning, participative learning and problem solving methodologies to enrich students' learning experiences. The faculty members promote the students to express their opinions and ideas. Group discussions, Seminars and question-answer methods have become regular part of classroom teaching. Our teachers used Power Point Presentations, Text-Sharing, Notes-sharing, Audio and Video clips to show on the screen to keep students busy in academic activities. Many of them organized quizzes based on the regular curriculum. Field projects and Academic Project were given to the final year students and they were asked to visit nearby communities to complete their projects. This experiential learning helped them understand the actual position of people in the community. They were given responsibilities to find out the burning problems in the nearby communities and work on them through their projects, and come to suggest some concrete solutions. They worked in groups under the supervision of different teachers, prepared the projects and submitted them to the concerned supervisors. Although majority of our students belong to rural background, they have learnt to utilize smart phones for academic purposes.

The annual budget of the forthcoming year, including the expenditure on maintenance, is prepared by the Principal and produced in College Development Committee. The CDC, after discussion, passes it. Financial resources of the institute are the grants from the State Government and the fees collected from the students. The institute monitors the effective and efficient use of available financial resources through a proper mechanism. Funds are allocated to each unit as per the need with a close eye on income and expenditure. The urgent purchases are considered on priority level as per the availability of funds with the institute. The College Development Committee (CDC) finalizes the expenditure. Top Managing Body provides funds for major construction work. The institute gets financial assistance from the state government in the form of salary grant. The salary grant is spent on the staff members accordingly as per the norms of the government. The payment of scholarship is done as per the existing policy of the government.

7.3 - Institutional Distinctiveness

7.3.1 - Portray the performance of the Institution in one area distinctive to its priority and thrust within 200 words

The college was established to provide the facility of higher education to the students of backward classes in Gadchiroli district. Accordingly, we strive to enrol each and every student of the backward classes in the region every year. More than 94% of our students belong to Schedule caste, Schedule Tribe, Other Backward Classes, Special Backward Classes, and minority. The institution avails all kinds of scholarships provided to these students. Regular classroom teaching, proper guidance regarding government subsidies and scholarships, special classes for slow learners, etc. As mentioned above, we prefer the students from backward communities in spite of lot of challenges. Among these students we strive hard to find girl students and inspire them to aspire for higher education. We extend every possible facility and help for such students from poor family backgrounds. We personally contact each of the students in the villages and try to solve their difficulties and obstacles in their way to higher education.
